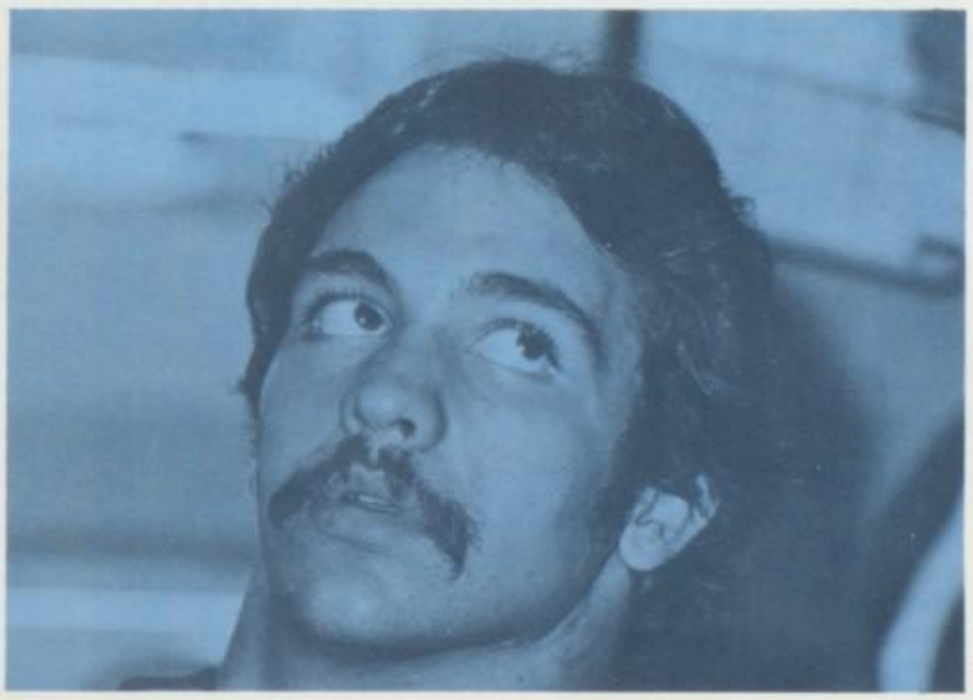
# A Mood For All Seasons

Seniors Lisa Miller and Margaret McCartney find time to explore a part of their childhood on playground aparatus.

Our exchange student from Sweden, Gunilla Thorsson, finds the city of Rock Island awesome.

A time to be born, and a time to die;
A time to plant, and a time to pluck up what is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather stones together;
A time to embrace, and a time to refrain from embracing;
A time to seek, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time for war, and a time for peace.
Ecclesiastes 3:2-8



Mr. Spirit, contemplating on the mighty Rocks.

Kirt Platt listens in on a conversation.

# I Love A Parade

The 1976 Homecoming Parade began at 2:15 in downtown Rock Island. This year's parade was the biggest and most colorful Rocky has ever seen, with a large number of float entries.

For the first year the freshmen were represented in the parade, with one float from each East and West Campus. Spirit and unity ran high as the parade threaded its way through the downtown district. The parade was attended by a huge crowd of spectators.

Rocky East Campus took second place in the float contest. This float was built at the Robert Danielson residence.

Crimson Tide members boosted the spirits of those who attended the parade.

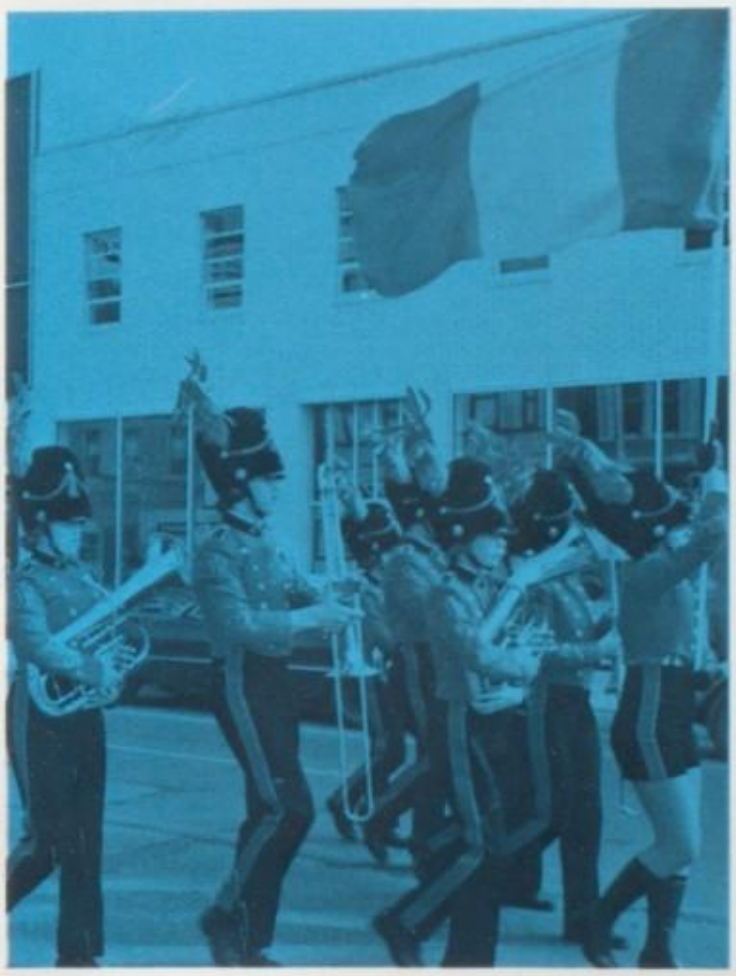
Proud Seniors rode with their first place float. Lisa Kettman was the home sight for "Moon 'Em."

"Blast 'Em" was the theme of the junior float that tied for third, which was built at Lisa Sohl's home.

Once again Rock Island High School Marching Band paraded through the downtown streets.

Seniors capture first place in the activities sponsored by Senate.

Billy Walker was the first lunch winner in the marshmallow stuffing contest, but second lunch winner, Bev Collier went on to take first place.



A well constructed float turned into triumph for the sophomores. It was put together at Pete Lardner's.

Homecoming Queen and King for 1976 were Beth Wright and Tony Scott. Beth was a member of Crimson Tide, the volley ball team and Campus Life. Tony was a football captain for three years, attended Boy's State and won Sectional in wrestling.

The 1976 candidates for King and Queen were (FROM LEFT TO RIGHT), Marc Beal, Kirt Platt, Scott Allen, Tom Steele, Tony Scott. Beth Wright, Beth Heming, Beverly Collier, Ann Stradley, and Cheryl Mohr.

What are these things? Could they be martians? "Of course", states Beth Heming, Kathi Rudd, Lisa Kenney, Jim Sacco, Belinda Lawhorn, and Kim Hoover.

Julie Goodwin looks back on a brilliant Homecoming.

Homecoming Day, October 8 started with the Homecoming Assembly at 10:00. A special production of The Great American Teen was presented by Pepsi and KSTT.

The Homecoming Royalty was presented, with Queen Beth Wright and King Tony Scott presiding over the concert by the Navy Country Band and the presentation of the prizes for the various contests. A Pep Assembly closed the school day at 12:30.

# Rock It Power In '76

Homecoming week progressed with the Moon Landing Pyramid Contest during the noon hour on Tuesday, October 5. Each team consisted of fifteen members who tried to build a human pyramid within three minutes.

After school, the Venus Tug-o-War took place over a mudhole in the Rocky practice field.

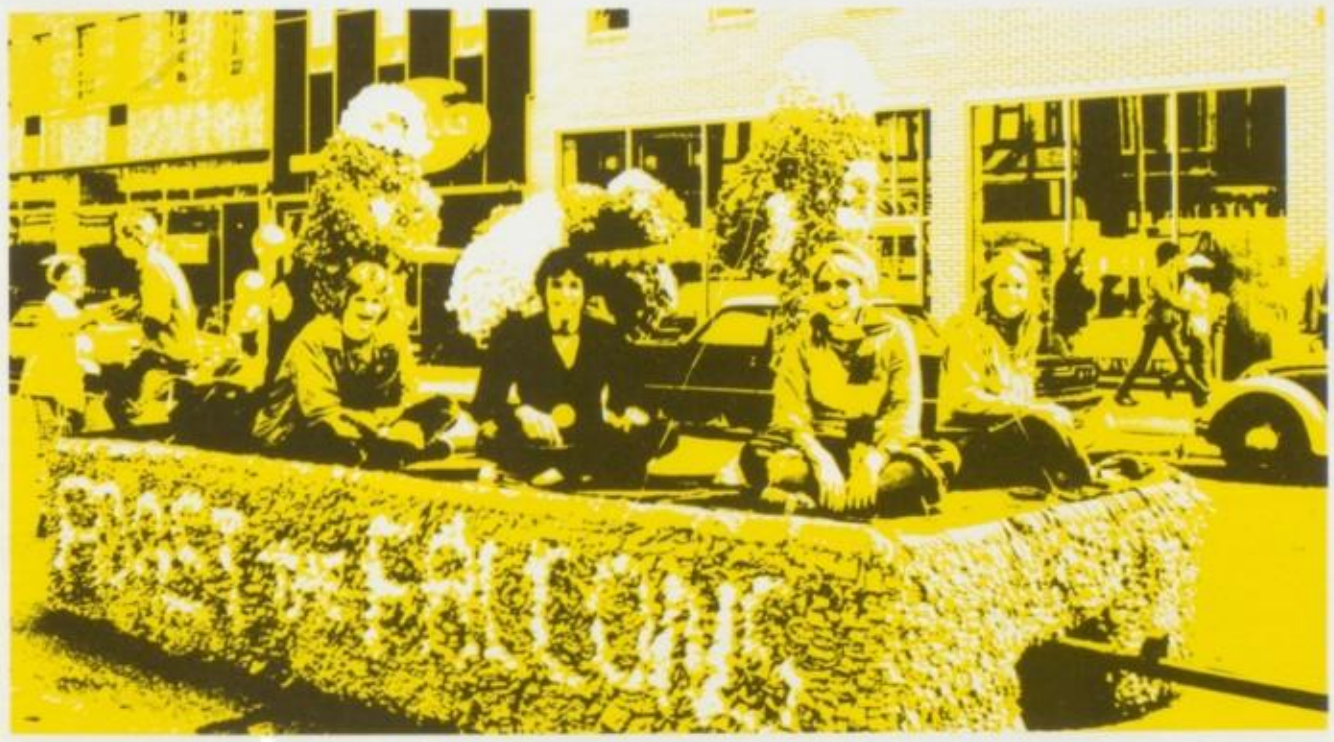
A mixed team of juniors and seniors were declared the winners.

Wednesday, October 8 brought the Mars Stuffing Contest during the noon hour. The objective of this contest was to see who could stuff the most marshmellows into their mouths, without chewing, in thirty seconds.

Tim Carr wonders if the refreshments are as tasty as cafeteria food.

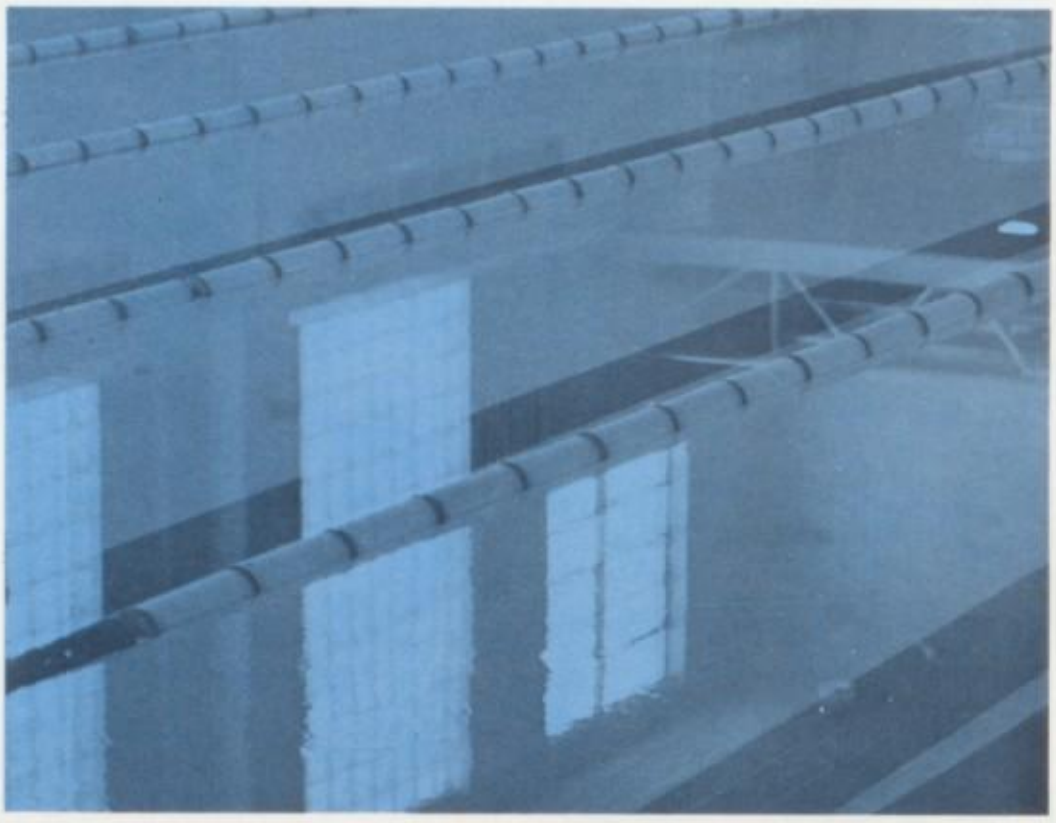
The stadium wall provides a good place to sort out thoughts for Rocky students.

"Roast the Falcons" was the theme of another junior float.



Rocky East participated in the big event of Homecoming.

Cheerleaders contributed smiles and cheers to the Homecoming parade.



A pool of memories lay still, ready to be stirred.

Karen Christianson stares in disbelief.

Games are a great passtime, and a great way to lose your voice. Sarah Brick and Sue Newland cheer the Rocks onto victory.

# *Solitaire — Together; Makings Of The Rock*

Mark Spitz (Marc Beal), makes a startling appearance during a pep assembly.

Together each of us works to shape our high school. Separately we are free to lead our lives with individual interests, hopes and plans.

Together we face the crisis of budget cuts and desegregation. We are strong. We are the shining future of our community. We are the Rocks.

Future plans are being discussed by two Rocky Co-eds.

# *In Search Of A New Horizon*

Reflections of a year packed with memories and new experiences, both disheartening and fulfilling.

A year of togetherness symbolized by tears, smiles and voiced hopes for the future.

A world of opening doors, new changes and a chance for individual enrichment.

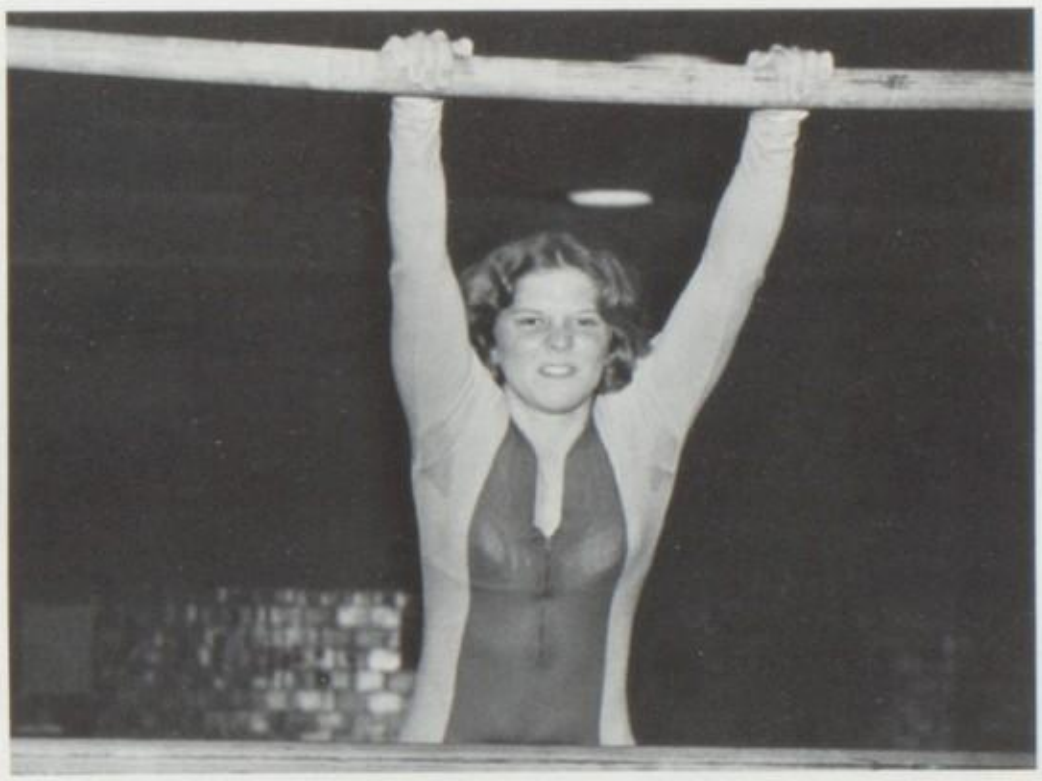
Determination is the name of the game for Nancy Leatherman as she works out on the unevens.

The expression of Teresa Carlson reflects a successful year of swimming.



Rock Island High School provides many opportunities for the students and community to observe and participate in, such as many varied athletic events. Each year, hundreds of students, both male and female, devote endless time and energy to sports for individual achievement and the enjoyment of the fans. They maintain average and above GPA's and often hold jobs. These athletes are self-disiplined and well trained. They are the strength which binds the entire community together with the student body of Rocky.

The 1976 Rocks finished with a disappointing 4-5 record after getting off to a great start with a well-played 19-8 victory over LaSalle-Peru, and the 20-0 shutout of Alleman. The Alleman game returned the city championship to Rocky. An estimated 10,000 fans crowded into Rocky stadium, the largest crowd of the season. The Rock's first away game was a 33-16 loss to Assumption, a second half Rock Island rally was not enough to overcome a big Assumption lead. Game four saw the Rocks break it open in the second half as Tony Scott scored four touchdowns to lead Rock Island to a 32-14 victory over Moline. The Rocks then lost a disappointing 36-0 Homecoming game to Davenport West, a 17-14 double-overtime thriller to UTHS, and an 18-12 decision to Galesburg that ended the Rock's playoff hopes. A victorious 16-8 visit to Quincy snapped a three-game losing streak, it was highlighted by Tony Scott's 95 yard kickoff return for a touchdown. In the final game, the Rocks held their own through the first half but fell hard in the second, as Davenport Central, the eventual Iowa State champs, dealt the Rocks a 58-6 defeat.

There were many bright spots, however, as the Rocks placed Tony Scott, Kirt Platt, Carl Hill, Mark Abolt, Mike Cohen, Mike Johnson, and Kevin Platt on various Big Six and Metro Conference All-Star Teams. Kirt Platt also made the Chicago Daily News All-State first team, and Tony Scott made second team. At the Fall Sports Banquet the following players received awards: Kirt Platt, best defensive player and best blocker; Mike Cohen, best team man; Mike Johnson and Randy Peterson, most improved; Bob Bower, bandit; and Tony Scott, most valuable player.

# Pebbles Shine In A Super Season

The 1976 sophomore football team finished with an outstanding 8-1 record. Winning the Big Six Conference and finishing second in the tough, Quad-City Metro Conference proved that this year's Pebbles were a superior squad. Holding their opponents to less than four points per game and averaging over thirty points themselves indicated the overall soundness of the team. With only thirty-five members on the squad, the Little Rocks used the winning combination of hard work, determination, and courage to achieve their success.

# Rocky Dribblers Swish Into Action

Under new Head Coach Donald "Whitey" Verstrate, the Rock Island High School Basketball Team survived a grueling season of defeats and budget cuts. New stars were born and old stars shone bright under the new coach, who possesses spirit, knowledge and dedication.

Juniors on the squad played an important role in making the 1976-1977 season successful, with the seniors providing skill and knowledge acquired in previous seasons. Outstanding seniors Andrew Marshall and Alvin Pickett called success to the minds of Rocky fans, with the help of juniors Donald McDuffie and Raymond Muskeyvalley.

The Rocks downed Dixon and Alleman early in the season, picking up first place in the Annual Turkey Tournament, held in the RIHS Field House during Thanksgiving. The team then traveled to Rockford during Christmas break to win the Consulation Prize at the Rockford Christmas Tournament.

The Little Rocks' basketball season was an up-and-down one, ranging from twenty-point walkovers to thrilling, overtime cliff-hangers. Highlights of the season were an early-season win over archrival Quincy, and a four-game winning-streak over the course of two January weekends. It was a tough, difficult season for Coach Rusk's sophomores, filled with more losing than winning. However, the Little Rocks showed great skill, desire, hustle, and potential. Many of this year's sophomores should make valuable contributions to future varsity squads.

# Rocks Have Polo Power

Despite a four-and-four season Rock Island High School had the strongest over-all fall season in water polo that it has ever had. Head Coach Fred Fredrichson attributes this to the fact that the Varsity unit was able to go "full gun" throughout the game due to an excellent group of substitutes. In the spring, the team will begin preparations for the fall '77 season by participating in several tournaments.

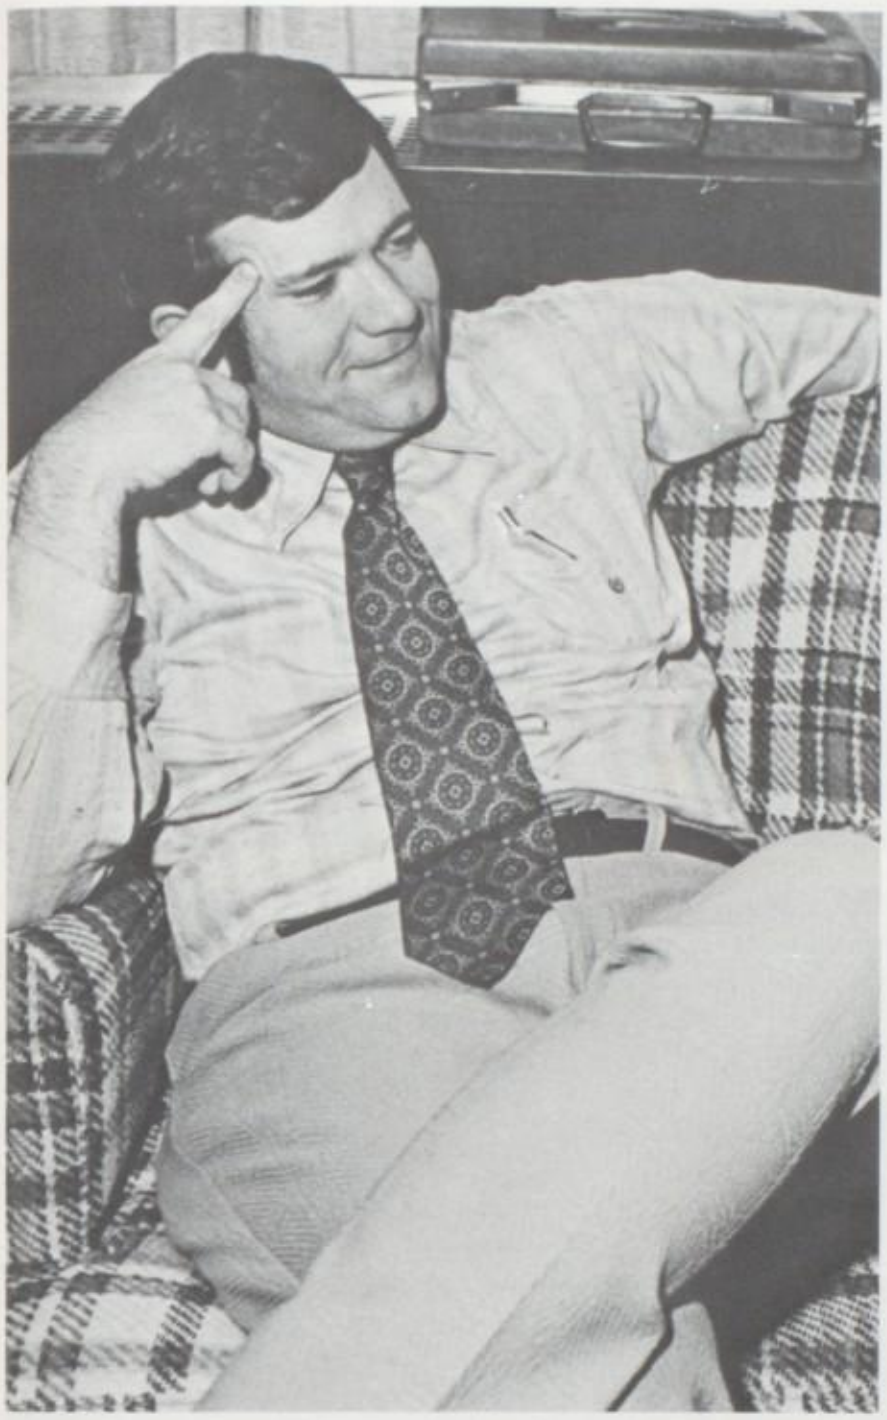
# FACULTY



A relaxing moment is enjoyed by Principal Rieck.

Mrs. Soukup grins at the recitation of her Spanish class.

Coaches Jim "Jet" Johnstone and Fred Fredrichsen are amazed at what P.E. classes can produce.

Each faculty and administration member at Rock Island High School symbolizes a member of the learned profession. They devote their life to sharing knowledge for the building and strengthening of the education of the students.

The days are endless for the faculty, beginning early with a check of the mailboxes; a vein of communication between administration and staff. Through these mailboxes come endless bulletins with news of successes and failures. The day goes on after classes end, with corrections and grading continuing into the evening.

The devotion of the faculty and administration to RIHS is as endless as these days. The students are the symbol of their life and their hopes for the coming generations.

Laura Larson stands in awe of the mighty Rocks.

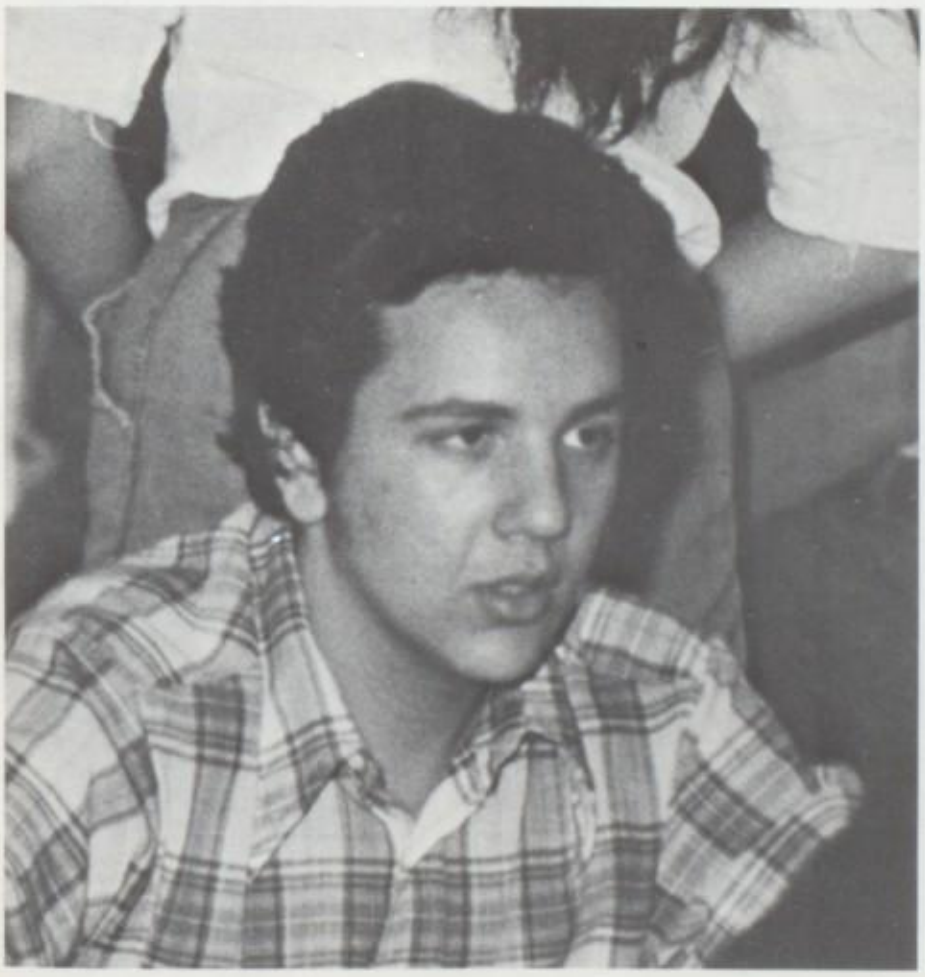
A T-shirt brings out the truth about Tom Plaisance.

The last home football game brings tears and memories for seniors Barb Cullison, Judy DeBruyne and Sue Elder.

"Oh, you've got to be kidding!" exclaims Jim Sacco.

Penny Wickert works diligently preparing for the car caravan.

# A Time For Thought, A Time To Cherish



Profound memories of the Rock linger in the minds of foreign exchange students Annegret Huebsch, Helen Tucker and Gunilla Thorsson.

What's in the mind of Jody Kester?

Senior girls Karen Egeberg, Becky Hallgren and Lisa Kettman are a classic example of school spirit.

# Reflections Of The Last Time

Catching a snooze during the Powder Puff Football Game is senior cheerleader Noah Fritz.

It looks as though things are looking up for Wendy Kavensky.

It's one of those days in the life of senior Betsy Applequist.

Martian dress up day provided a chance for Kathi Rudd to show "the real her."

# JUNIORS

Steve Michielsens works at improving his carving skills.

Karen Lelonek thinks about how long it took her to fix her hair; and how much longer it will take it to get back to normal.

Do you ever feel down in the mouth? Beth Fisher certainly doesn't.

Together as the junior class, we reflect on a year of maturing, new experiences and planning-both for the future of our school and our individual lives. As we grow and become a strong class, we prepare for the exciting years ahead of us while showing thankfulness for the benefits Rock Island High School has given us with our various achievements.

Something catches Pam Wickert's eye at the Homecoming game.

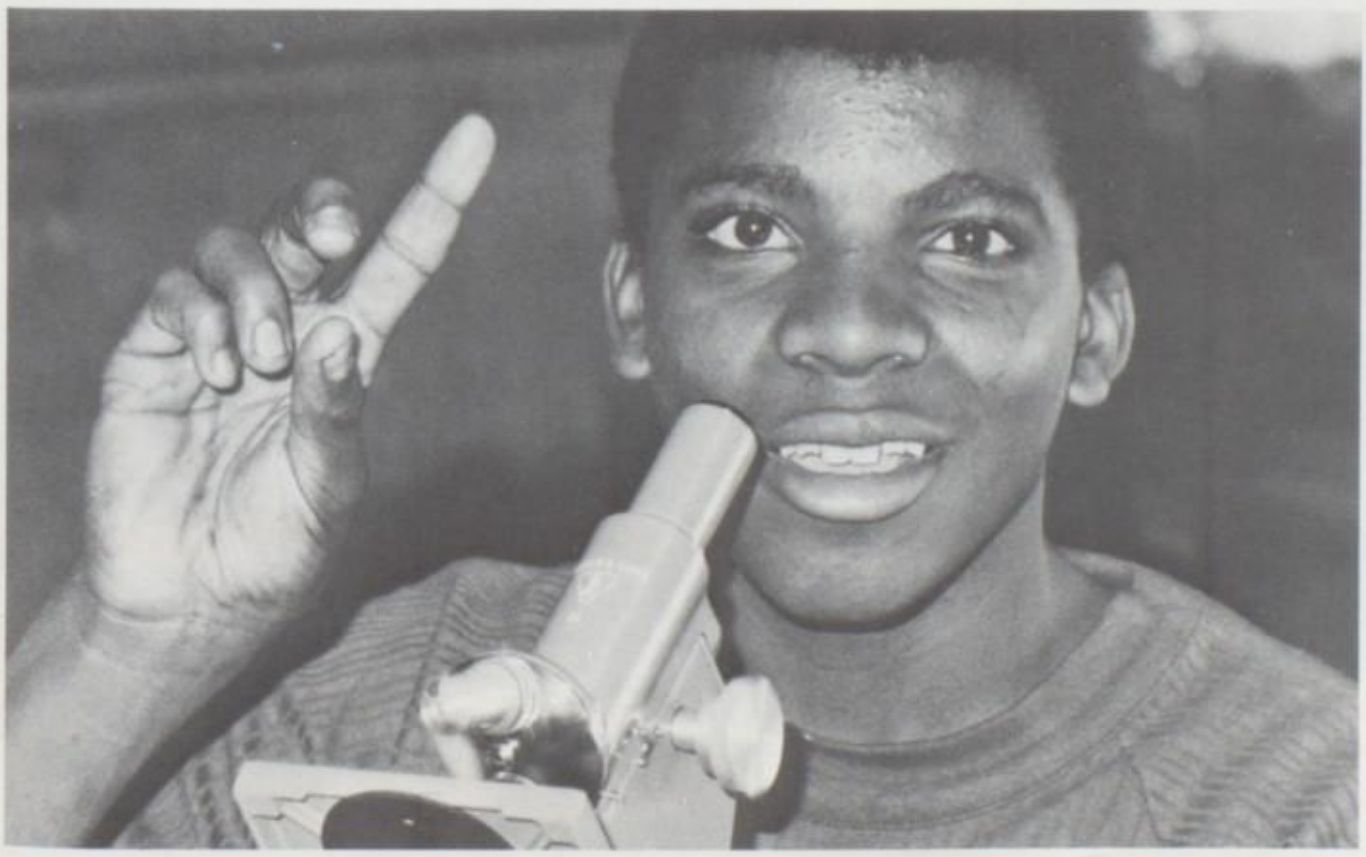
Working hard was worth while for these proud sophomores.

# SOPHOMORES

Sometimes our mind wonders, as does Nancy Foehrkolb's.

Karen Caras and Shelly Wright get a helping hand during Biology class.

It seems Dennis Morton has found something of interest in his microscope.



As sophomores we proudly conclude a year of maturing, new changes and hard work. For the first time we have come together as a class to prove our worth with new ideas. Together, we plan the future of Rock Island High School and begin to hope for and plan our futures.

# Sophomores Face Mirror Experiences

Selecting which bite next proves to be a hard decision for Angelia Dunigan.

Key Club Officers this year; Bob Doeckel, Lance Malban, and President Russ Black.

Key Club put in many hard hours, both as a group and individually. So, to an impressive Key Club showing this year, we extend hardy congratulations.

Rocky Orators, Randy Christie and Norm Carver, take time for a picture with a close friend.

Picking up the latest team plans are Leo Wienstien and Sheryl Brolander.

In a year when money was less than abundant, talent was more than sufficient for Rocky to capture more than one hundred and fifty individual awards and over twenty team trophies. Rocky's Speech Team, for the third year in a row, swept District Speech Competition and placed high in both Sectional and State. All told, the Speech Team has put the lid on its most extensive and winning season since its rebirth by present coach John Hires in 1974.

The pacesetting Student Senate ran a lively show. Rock Island was the host school for the second annual Quint-City Student Leadership Seminar at the John Deere Administrative Center, which was attended by over three hundred students from nine area High Schools. October saw the Senate sponsoring a great week of Homecoming activities, culminating with the Homecoming Dance. Senate was a major supporting force in the passage of the long-awaited and much needed school tax referendum. On November 12th, the Senate held a well attended, old-fashioned square dance in the school cafeteria. Many needy families received help from the successful Thanksgiving and Christmas projects. Senators worked for and contributed to such worthy causes as the Mental Health Association and Presidential Classroom. At Christmas time it was the door-decorating contest and the first annual Rocky-Alleman Christmas dance on December 19th. In February, Senate sponsored a week of activities centered on a Valentine theme. This year's Sweetheart Swirl was held March 5th at the Y.W.C.A. Another innovation from this year's version of "student government that works" was the long sought-after Student Day held March 25th. The Senate wound up one of its busiest years ever with the Junior-Senior Prom on May 23, 1977.

Pictured at the Quint-City leadership Seminar are: Alleman's Bill Warlop, Ann Stradley, Alleman's Colleen Kale, Mr. Ackerson, Cindy Boeye, and Terry Gorsuch.

# The Band Goes Marching On . . .

Drum Major Tina Bull looks pensive.

Miriam Anderson sings "Give me a Little Kiss, Will ya Huh?" to Band Director, Mr. Holcomb.

Pride and spirit are two words to describe the "Marching Rocks." Besides presenting half-time shows for all of the football games and performing in parades in the area, the band also marches competitivly in other cities. They appeared in the Band Day parade at the University of Illinois and brought back the Third Place trophy from the Morris Corn Festival Parade and captured the First Place award at the Western Illinois University Homecoming Parade for the second time. 1976 being an election year, the band had the opportunity to play for two major political candidates, Jim Thompson and Jimmy Carter.

An education doesn't necessarily mean six hours a day in a gray-walled classroom! One alternative to this is the R. I. H. S. Very-Important-People program. V. I. P. was originally intended to reduce the number of "school leavers" which plagued Rocky, as it does most schools. The big differance is that our V. I. P. students get a real, quality education while learning an immediately usable skill. This skill is realized daily in dollars and sense as students prepare to enter the world of everyday life - ready, willing, and quite able to take on the responsibility of a good paying lifetime occupation.

Crimson Tide's membership grew to more than one hundred and fifty this year and the club did much to promote spirit and involvement. Davenport's John O'Donnel stadium was graced by the grand entrance of the Crimson Caravan of Cars (with police escort) to the football game against Assumption. Home games saw the illustrious Captain Rocky ride triumphantly around the stadium before each kickoff. A bus took more than fifty students to the game at Quincy, and the club sold red shirts and visors to over two hundred eager fans. At Christmas, club members jazzed up the drab hallways with a holiday decorating contest which was won by the junior class. Throughout the year Crimson Tide added decorating touches on lockers and the field house, showing support for our many beloved athletic teams.

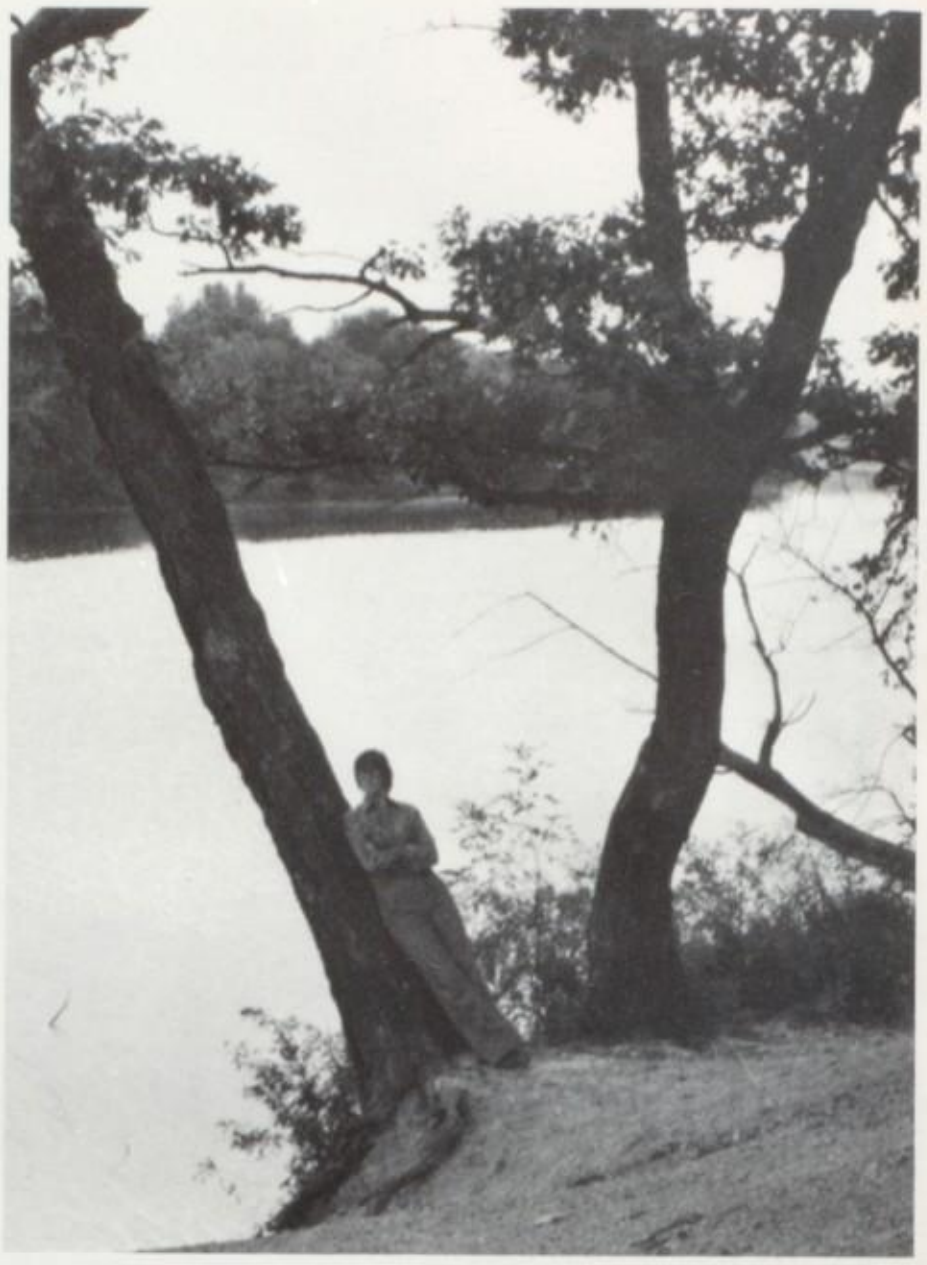
One of the many hours spent dwelling upon high school and its activities.

It was a great day for Joyce Boyd, as she demonstrates with a wide smile.

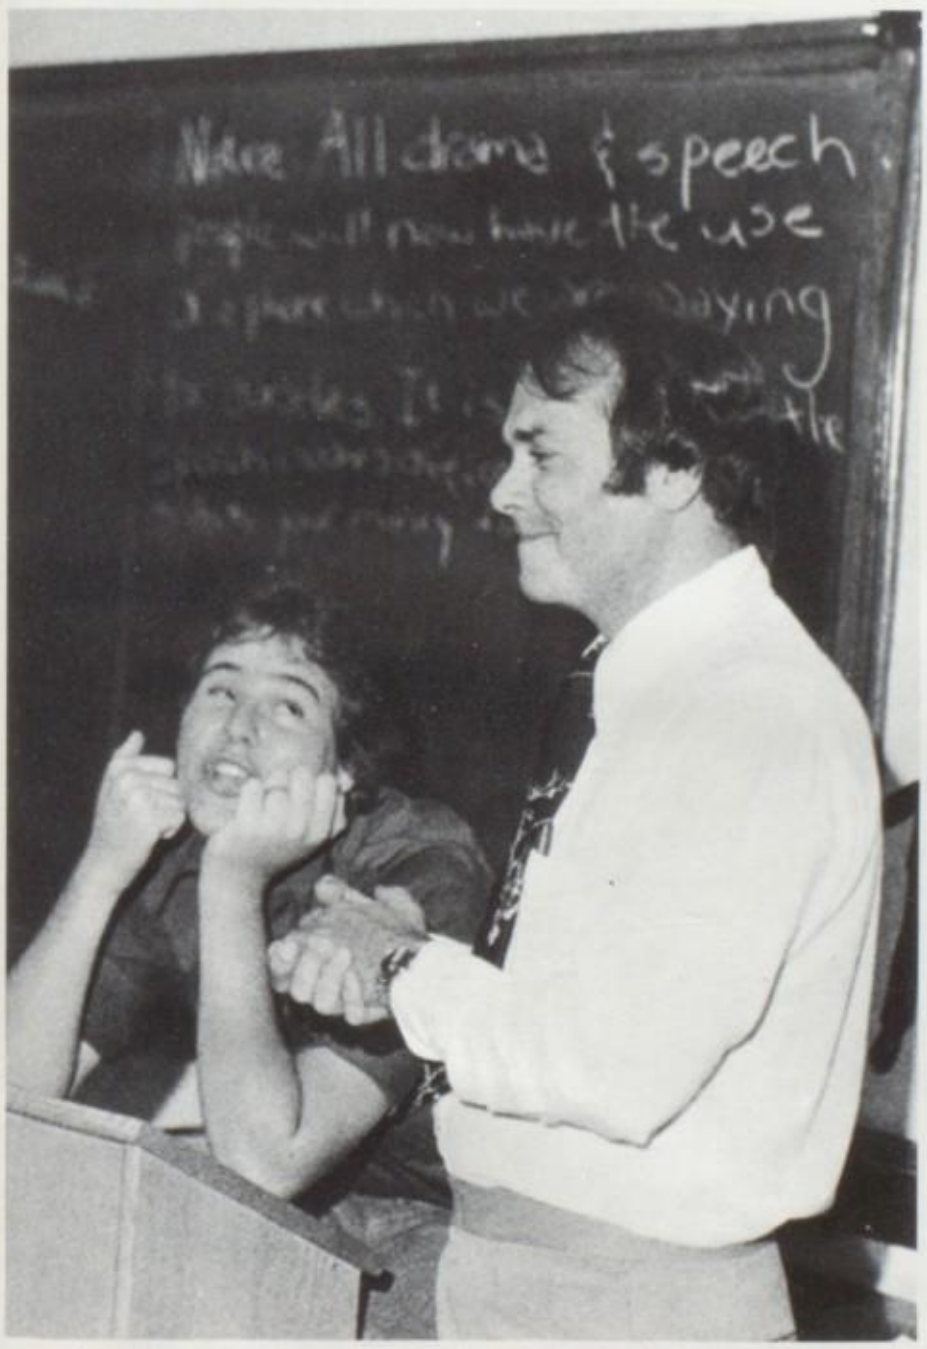


Lisa Harkey gives an astonished look.

Sue Lassiter just won't let Cindy Northdorf eat in peace!

# A Yee Hah Year!

Reflections of our year at the Rock showed frustration, joy and every emotion in between. An election campaign (with a new President-Elect), and the '76 Olympics (featuring a brunette from Riverside, Conneticut). Jimmy Carter and Dorthy Hamill are now everyday words. From Mary Hartman to "Disco" everything, keeping up with the times. Change. New goals were obtained through losses along the way.



High School conversations that Melissa Moller will long remember.

Kevin Dasso prepares for a final exam.

It seems Jim Resch and Mr. Hires have a difference of opinion!
